## Crew Team Membership Fee Information

Please refer to the "Fall 2019 Crew Team Membership fee payment plan" document for cost and options.

It can **ONLY** be delivered to the Treasurer's Office. Do not make the coaching staff responsible for submitting your payment. St. Anthony's High School does not accept post-dated checks.

Crew is a very expensive sport. The annual operating and travel budget ranges from \$135,000 to \$170,000 and does not include daily transportation expenses or capital purchases of new boats.

Some (not all) of the costs covered by the membership fee are:

- Entry fees for Regattas
- Travel and hotel rooms for overnight/long-distance regattas
- Most meals at the regatta site and overnight stays
- Chuckwagon expenses and purchases
- Park rental and other facility usage
- Equipment Maintenance . . . vehicles, boats, oars, etc.
- Salaries
- Insurance
- Gas for launches and buses

Without donations, fundraisers, and support from Administration, the membership fee would be over \$2,450 per student! Thanks to the frugal management of the coaching staff, we are able to keep the cost per athlete down. We have been fortunate enough to reduce this fee and still purchase new boats every few years while keeping the current equipment safe for the students and staff.

Questions and concerns regarding the Crew team should be directed to the coaching staff via e-mail, [stanthonycrow@gmail.com](mailto:stanthonycrow@gmail.com) or during/after practice with the coaching staff.

If you need to provide information regarding the Membership Fee or make an appointment to issue payment, email Andrew Gray, [agray@stanthonyschools.org](mailto:agray@stanthonyschools.org).

Sincerely,

Crew Team Staff
